

## Competition Number Three: Book Week Display

This year the Book Week theme, "**One World, Many Stories**" invites you to explore how diversity and multiculturalism are woven into the **fabric** of our everyday life.

We **celebrate** and enjoy multiculturalism in so many simple ways; the food we eat; the clothes we wear; the acceptance and understanding of other people's belief systems, just to name a few!

This year we are challenging you to create a Book Week display that **demonstrates** just this.

Capture this theme through the use of any **creative medium** such as a diorama, poster, or other art forms.

Encourage students to experiment with different media to create dramatic effect. Then create a collage of images which could be presented as a slide show or digital story.

Include the CBCA logo somewhere in your Book Week display and be sure to send in your entry!

Remember we are giving away Flip recorders so get creative and enjoy **Book Week 2011!**

You can enter as many different displays as you can create. So challenge your students to buddy up and get creative!

Once completed you can zip the file and [e-mail](#) it or you can send a copy of it on disc to:

CBCA  
PO Box 5548  
Hughes ACT 2605

Entries will then be placed on our You Tube channel so everyone can enjoy the creative efforts of students all across Australia!

**Competition closes on Friday 19 August 2011.**
